

MEET THE TEACHER

About Me

I have wanted to become a primary school teacher since I was at school. I love working with children and helping them with their work and seeing them learn and progress through the school year.

This will be my second year at Bursley Academy but I have been a teacher for nearly 25 years. I have worked at lots of different schools during my career and have held a management post during this time. Over my time being a teacher I have taught hundreds of children and I thoroughly enjoy my job!

I don't have any children but I have a niece called Freya and a cat called Maisie - I talk about Maisie quite a lot!

I am looking forward to working with you all in Year 1, and we will be doing lots of exciting things, whilst learning together along the way!
