Hello everyone!

This will be my third year here at Bursley Academy and I cannot wait to meet you all and do lots of fun and exciting learning together!

I am passionate about creating a positive, supportive and safe place for children to learn, where it is ok to make mistakes. I even make them too!

## MY EDUCATION

I knew I wanted to become a primary school teacher whilst I was at college when we began going into schools and completing placements. I loved working with groups of children and helping them with their work and seeing the lightbulb moment when they understood! I then went on to study 'Education Studies' at university and then completed my 'Primary PGCE'.
