

Meet Your Teacher

Welcome

Hi everyone, my name is Miss Birks, Welcome to my class! I cannot wait to be your new teacher. It's going to be a year filled with lots of learning, new adventures and making so many memories. I am extremely excited to meet you all and get to know you!

I love animals. Growing up I had two bunnies, one called Basil and one called Pierre.

Fun Fact

I used to dance and do performing arts in my spare time. I started when I was 2 years old. In my first dance show I was an elephant! I have also taught dance to younger children.

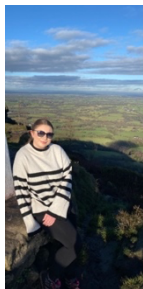

I went to Staffordshire University and qualified as a teacher in July 2022! I have worked at Bursley since February 2023.

How my previous classes would describe me.

nurturing understanding fun loving
caring smart organised
thoughtful kind inspirational friendly
funny happy likeable

About Me

In my spare time, I love going on walks with my family and friends to discover new places. I also love Starbucks: you will more than likely see me with one! I love going to the cinema to watch movies and I enjoy going to play mini golf.
