

Headteacher At Bursley Academy

Mr Wilkinson

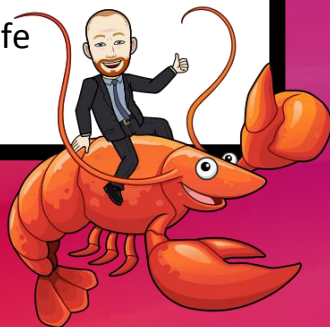

Hello! I am so excited to be your Headteacher this year! This is going to be a great year and I can't wait to work with you. I want you to know that I am here to help you in any way I can and to make sure you get the most out of school

My favourite foods are ice cream and Pizza (not at the same time though)

Unlike most teachers I don't drink tea or coffee but I don't mind a nice hot chocolate.

I believe that everyone can be amazing and it's my job to help you learn and grow so you can achieve whatever you want in life

I have worked at Bursley for five years as the Headteacher and I have now been a Headteacher for eight years (which seems like a long time).

I have worked in Cheshire and Staffordshire for my whole teaching career (which is now a lot of years) even though I actually come from the North east of England.

Bursley is an amazing and exciting place to be and we all work hard to make sure your time in school is filled with learning and fun.

My Favourite
colour is Orange

When I am not working I love to play football and still try to play at least twice a week.

I also love to create pictures and paintings, listen to music and even play computer games.

I am really looking forward to working with you. See you soon
