

Mr Masterson

I have always loved singing. I was in the school choir all the way through Key Stage 2 and sang at church every Sunday. It took me a very long time to pluck up the courage to sing on my own, because I always thought that I would forget the words. This is why I am always so amazed at the confidence of children here at Bursley, who regularly stand up and perform in front of an audience in assemblies or Christmas shows.

I love to read, particularly fiction novels. I find reading for 20 minutes before I go to sleep at night helps me to settle down for a good night's sleep. I love to read for about an hour before I get up at weekends.

I've always loved cooking and baking. In KS2, I had to say what I wanted to be when I grew up and I chose a chef. By the time I had finished High school, I wanted to be a teacher. I had a number of jobs before teaching, but finally became a teacher when I was 35. Being a teacher is as rewarding as I thought it would be. My love of cooking remains though.

I hope that you will enjoy being in Y5/6 and working with myself, Mrs Rosillo and Mr Bond. We are very excited about the new year and working with you.

I am looking forward to getting to know all the children that I have not previously taught and hearing all about what you have been getting up to away from school.
