

Bursley Academy

Reception Newsletter – Summer 2

We hope you had a lovely Half Term break and look forward to all the exciting events and learning we have planned!

Week 1

We will be learning all about Summer this week! In maths, we are thinking about time and sequencing events in our day.

Week 2

This week we are looking at summer again, making sure that we know how our environment changes through the seasons. In English, we will still be writing our captions and sentences - making sure we remember those finger spaces too! In maths, starting to look at 3D shapes.

Week 3

We will be learning about pirates from a scientific perspective, thinking about how boats sink and float! In maths, we are thinking about how shapes can be manipulated.

Week 4

Another very exciting week as we continue to learn about pirates!. We will carry on writing phrases and sentences, building up to use longer words! In maths we will be looking at mapping and direction.

Week 5

We will then look at the seaside, focusing on the history of holidays in the UK and beyond. In maths, we will continue to look at mapping.

Week 6

We will continue to look at the seaside this week and in maths we will be assessing all of the knowledge and skills we've acquired this term.

Week 7

We will be looking over at our time in Reception and focusing on our transition into big Year 1 children with lots of PHSE activities preparing our children for their move away from us!

For more information about our curriculum, please take a look at our class page on the website:

<https://www.bursley.staffs.sch.uk/index.php/our-classes/reception>

Coming into School We would like to encourage the children to come down the main drive on their own, or with their friends, to help build their independence. We understand this is a big step, for some children they may still not feel ready and that is ok - We will still be on the gate should you feel you need to speak to us about anything!

Key Dates

- Every Monday and Friday are PE days
- Every Wednesday reading folders are collected, and books are changed ready to be given out on Thursday
